# GSL OFFERINGS AT A GLANCE

1

## STEM++: AI + Robotics + Coding Courses

Discover our cutting-edge AI, Robotics, and Coding courses for 1-12 grades designed under the current NEP and school curriculum requirements to deliver 21st-century skills in your school. Learn more from our experts.

2

## Monthly Entrepreneurship Masterclasses

Start with a captivating entrepreneurship master class series for grades 6-12 with top startup founders and entrepreneurs and enroll in a competition designed to help students build innovative ideas to solve real-world problems.

3

## Celebrity Workshops on Social & Emotional Learning

Designed for K-12, these workshops are built on a globally accepted framework of life and social skills where top Indian and International celebrities help students develop social and emotional skills at an early age.

4

## English Language Platform Powered by AI

Deployed across 3,500+ schools globally, this English learning platform offers personalized tutoring and learning aids to students and teachers across K-6 grades. Ask for a 4-week free demo pilot training for teachers in your school on registration.

5

## Adaptive Math Practice Platform Powered by AI

Deployed across 500+ schools globally, this Math platform offers curriculum-aligned adaptive practice to complement teaching for grades 6-12. Learn more about personalized achievement tests, offline worksheets, and teacher-aid for assignments and grading from our team of experts.

6

## One-Stop Student Subscription Learning Resources Platform

A learning resource digital library, this platform enables personalized learning for students and teachers thereby providing 1000+ learning resources in multiple formats, such as e-textbooks, class notes, video lectures, audiobooks, and AR/VR content.

# OUR LEARNING PARTNERS™

## ABOUT GET SET LEARN

We are reimagining school education for the 21st century. Our focus is to build better learning experiences for schools and students. We aim to curate the learning needs of students across multiple grades and age groups onto a single platform and enable schools with new-age solutions to address the challenges of the digital future and the National Education Policy. Get Set Learn [ formerly Uniform Junction ] is an Arvind Mafatlal Group Company - a 100+ year old conglomerate that has served the school ecosystem for decades.
