Entrepreneurship

WHAT MAKES THE LIBRARY UNIQUE?

The resource library addresses key knowledge and skill gaps by offering resources that are credible, globally relevant, and specifically curated to foster growth in academics and skills.

ADDRESS LEARNING GAPS where students have

- Limited access to reliable, high-quality resources.
- Gaps in critical 21st-century skills, such as communication, innovation, etc.
- Less engagement with structural content to enhance knowledge beyond textbooks.

GET FUTURE READY

- **Gain exposure to** prominent HBP Education resources tailored for young learners.
- **Cultivate a** growth mindset and enhance collaborative and leadership skills.
- **Enhance** academic performance through case-based and interactive learning.
- **Prepare for** competitive academic and professional opportunities.

A PARTNERSHIP TO TRANSFORM K12 EDUCATION IN INDIA

By leveraging HBP Education's legacy of cultivating global leaders, we bring world-class content, leadership frameworks, case studies, and research directly into the classroom to help learners across all boards:

**Instill a growth mindset
for learning**

**Adapt to shifting skill
demands**

**Enhance global
citizenship skills**

**Align learning with
industry needs**

ABOUT US

Backed by the iconic Arvind Mafatlal Group with over 100 years of legacy, Get Set Learn is transforming global education with key offerings that include 21st century skill-building programmes in STEM & Robotics, AI, Entrepreneurship and Life Skills for learners in K-12.

Harvard Business Publishing Education is a division of Harvard Business Publishing, a not-for-profit, independent corporation that is an affiliate of Harvard Business School. They work together to bring smart thinking and courageous leadership to the world's toughest management challenges.
